### Mission

Our Mission is to help members get involved in the regional business scene and to impact the current and future marketplace.

### Vision

The Chamber of Commerce Mountain View's YIPEE group is the platform for young professionals to build relationships, develop professionally, become politically and philanthropically engaged while contributing to the economic development and high quality of life in the community.

## What Is YIPEE?

YIPEE (Young Innovative Professional Entrepreneurs, ETC) is attracting the next generation of entrepreneurs, professionals and up-and-coming executives who are interested in making a difference in the community, personally and professionally.

*Meet, Greet and Exchange big ideas for a brighter future.  
This is THE place for young professionals.*

### Mixers

Mixers give you the opportunity to network with other young professionals in a high energy environment.

### Big Wig Luncheons

A quarterly luncheon speaker series that creates opportunities for meaningful dialogue with other young professionals and important business leaders. Relevant and influential speakers discuss various topics crucial to business success in the Silicon Valley and beyond.

### LX

YIPEE's answer to members' needs for building leads and referrals to grow their business. Regular meetings enable members to support and promote each others' businesses.

### Mentor Match

The Mentor Match program connects YIPEE members to an outstanding business executive who acts as a personal and professional mentor. In exchange, the YIPEE member acts as a mentor to a high school/college student, promoting their long term success as a rising young professional.
